

# Pacific Basin Equity Multi-Manager Fund

May 2010

## Description

The fund aims to provide long term growth and is designed for investors who are looking for both exposure to the Pacific Basin (excluding Japan) equity market and a range of investment managers. These investment managers are selected for their investment expertise in the Pacific Basin equity market and are monitored on an ongoing basis. This selection and ongoing monitoring is currently undertaken by Wilshire Associates and is based on extensive research with the aim of blending managers with different investment styles.
