

31 December 2011

The fund aims to provide long term growth and is designed for investors who are looking for exposure to the UK equity market by investing in a diversified portfolio of UK equity assets. The fund invests predominantly in the shares of large and medium sized companies listed on the UK stock markets and is actively managed by our investment team, who will select stocks to try to take advantage of opportunities they have identified.

The fund may use derivatives for the purpose of efficient portfolio management, reduction of risk or to meet its investment objective if this is permitted and appropriate.
