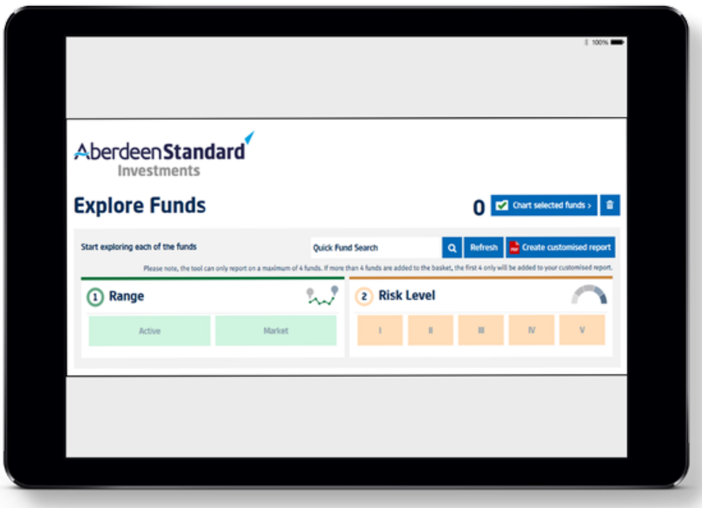
Standard Life

MyFolio Lookthrough Tool

Why use the MyFolio Lookthrough Tool?

- Find key fund information quickly and easily
- Access the latest fund updates, reports and bulletins
- Create customised client reports for up to 20 clients at a time, with the option to personalise with your photo and company logo
- Chart the performance of the funds over a range of time periods



Whether it's regular reporting, conversations with clients, illustrating performance or meeting due diligence obligations, you can choose how you use the MyFolio Lookthrough Tool to work for your business.

Access the MyFolio Lookthrough Tool by visiting brokerzone/myfolio
